value-added items so that our people are also provided with employment opportunities and the Government gets enriched to some extent.

PROF. RAM KAPSE: Mr. Chairman, Sir, the hon. Minister has specifically told us that the interest of the cotton growers would be safeguarded. As far as cotton-growers are concerned, I would like to tell the Minister that the Government of Maharashtra is taking special interest for years. So, I would like to know from the Minister whether the scheme which has been extended to Maharashtra every two years would be given to it permanently. I would also like to know from the Minister whether a special quota would be allotted to Maharashtra taking into consideration the interest of farmers of Mahrashtra for the export purpose.

SHRI R.L. JALAPPA: Mr. Chairman, Sir, I do not want to go into the merits and demerits of the schema attended to Maharashtra. I would rather suggest to the Government of Maharashtra to see that both the quality of cotton and the production of cotton per hectare are also improved. Sir, I cannot assure the hon. Member that this scheme would be extended to the Government of Maharashtra on a permanent basis. We have extended the scheme by two years. We would watch their performance. If necessary, we would certainly extend it.

Last year also we allowed exports for Maharashtra. This year also we have already given 1,00,000 bales to be exported. In addition to that, we have also allowed Maharashtra to export the backlog quantity till the end of this month.

MR. CHAIRMAN: Q. Nos. 64 and 67 would be taken up together because both the questions deal with the same subject.

have died, the concerned Passport Offices were asked to contact the next of kin through their records. Indian missions at Rome, Malta and Athens were alerted for assistance from contiguous countries in recovery of the bodies. Travel documents were issued to the 22 survivors who had been detained in Greece to enable them to return to India. A notice was immediately put out by Government in newspapers giving the names of the survivors. Telephone numbers of officers in the Ministry of External Affah's and the Passport Offices were also publicized to enable the next of kin/families of survivors to contact Government for assistance. Family members of suspected missing and deceased got in touch with Regional Passport Office, Chandigarh and Passport Office, Jallandhar to give information about the agents, and, to obtain details about the identity of suspected missing and deceased.

On receipt of the report of the accident, Govemment immediately ordered a CBI inquiry.

While some arrests have been made, the CBI inquiry is still in progress. Based on this inquiry, further necessary action will be taken in this regard.

Assistnce to Survivors of the Sinking Ship by Indian Embassy in Anthens

†*67. SHRI KRISHNA KUMAR BIRLA: Will the Minister of EXTERNAL AFFAIRS be pleased to state:

(a) whether it is a fact that the Indian survivors of the ship that recently sank in the Malta-Sicily Channel had approached the Indian Embassy in Athens for help;

(b) if so, the details thereof; and

(c) the nature of the assistance provided by the Indian Embassy in Athens to the survivors of the tragedy?

THE MINISTER OF EXTERNAL AFFAIRS (SHRI I.K. GUJARAL): (a) to (c) A Statement is laid on the Table of Rajya Sabha.

Statement

On receiving reports of a collision at sea between two ships in the Malta-Sicily channel, on January 7, 1997 our Embassy in Athens approached Greek authorities for authentic information about the number of Indian arrested, escaped or perished in the collision. The Embassy separately made enquiries and established contact with the Indian survivors, who were detained at Nafplion, Greece. The Embassy officials met the 22 survivors, and commenced steps to confirm their citizenship and issue Emergency Certificates to them to facilitate their return to India. The 22 survivors were deported by Greek authorities and reached India on January 25, 1997.

The Indian Embassy in Athens maintained constant contact with the Greek authorities both to monitor the progress of deportation proceedings, as well as, to ensure that the survivors were not put to unnecessary hardship, having already suffered the trauma of the maritime tragedy. The Embassy also maintained continuous contact with the Ministry of External Affairs conveying the names of survivors, addresses of their next of kin, names of those suspected to have perished, which were passed on to the field offices i.e. Regional Passport Office, Chandigarh and Passport Office, Jallandhar to enable expeditious dissemination of correct information to the next of kin. The Indian Ambassador also visited the detention center at Nafplion and met the survivors. The survivors being under detention in Greece, their immediate welfare and deportation was looked after by the Greek authorities, with which the Embassy officials maintained close liaison.

श्री ईश दत्त यादव : मान्यवर,सभापति जी,25 दिसम्बर 1996 को माल्टा-सिसिली चैनल में भयंकर जहाज दुर्घटना हुई जिसमें सरकार के अनुसार 175 भारतीय मारे गए और उस जहाज में दूसरे देशों के लोग भी सवार थे,जो मरे हैं । लेकिन इस मामले में विदेश मंत्री जी का जो उत्तर आया मुझे लगता है कि सरकार इस विषय में बहुत गंभीर नहीं है,क्योंकि इस घटना को दो महीने हो गए और जो उत्तर उन्होने दिया है उसमें यह कहा गया है कि इसमें 175 भारतीय मारे गए और उस जहाज में दूसरे देशों के लोग भी सवार थे,जो मरे हैं । लेकिन इस मामले में विदेश मंत्री जी का जो उत्तर आया मुझे लगताहै कि सरकार इस विषय में बहुत गंभीर नहीं है,क्योंकि इस घटना को दो महीने हो गए और जो उत्तर उन्होंने दिया है उसमें यह कहा गया है कि इसमें 175 लोग मरे और ऐसा विश्वास है कि फलां-फलां लोग जिनकी सूची दी गई है वह मरे है । तो इतनी भयंकर घटना के प्रति भी सरकार गंभीर नहीं है और आज तक सरकार को निश्चित पता नहीं चल सका कि 39 आदमी जो जीवित बचे हैं,22 तो वापिस आ गए,लेकिन जो 39 व्यक्ति बचे हैं वे किस परिस्थितियों में हैं,कहां पर है ? इसके बारेमें सरकार ने कोई पता नहीं लगाया,इनके उत्तर में यह लगता है ।

इस प्रश्न के पार्ट-घ में हम लोगों ने यह जानना चाहा था कि जो लोग मर गए हैं उनके परिवार को सरकार ने क्या आर्थिक सहायता दी ? इस प्रश्र कर तो
